We will hand certify each collet on our gages for \$20 per collet!

Need Jet-Blast on a sealed collet?

No Problem!

We will add Jet-Blast for coolant around solid cutters for \$20 per collet!

Now for the little writing:

This promo applied to any stock SX, MX or VX collet chuck. Collet sizes 1/8-1" or 3mm-25mm listed in the Pioneer Catalog or website.

Sorry, collet sizes under 3mm are not part of this promotion.

If the collet is in stock please allow 3-5 days for inspection and/or EDM for Jet-Blast.

Of course this promo cannot be combined with any other promotion, subject to change at anytime. End's December 31st, 2023.
